Child Physical Abuse Investigations

June 22, 2011
Holiday Inn Select Executive Center
Columbia, MO

8:00 AM to 9:30 AM

Beyond The Injuries & Excuses: Child Physical Abuse Investigations John Pehle, *State Technical Assistance Team*

This session will address resources available to assist with these difficult investigations as well as looking at some indicators of abuse victims and their abuser. It will also address basic investigative techniques for the front line investigator/ first responder.

9:30 to 9:45 AM Break

9:45 AM to 12:00 PM

Colliding Systems: Coordinating the Efforts of Children's Division, Law Enforcement & Prosecutors John Pehle, *State Technical Assistance Team*; Matt Selby, *Stone County Prosecuting Attorney*

This session will explain the roles of the different disciplines involved in MDT child abuse investigations and the strengths and weaknesses of these teams. This session will further explore the prosecutor's role in coordinating the team to achieve the best possible safety for victims and offender accountability

12:00 to 1:45 PM Lunch *On Your Own*

1:45 PM to 3:15 PM **Hey Doc, Gotta Minute?** Douglas Beal, M.D.

This session will focus on the role of a forensic pediatrician in the investigative and judicial process, a history of medical forensics, a review of MO Child Fatality Review Project (CFRP) statistics, bone fractures, Rickets and Osteogenesis Imperfecta (OI)

3:15 to 3:30 PM Break

3:30 to 5:00 PM **Boo-Boos, Bumps, and Brain Bleeds.** Douglas Beal, M.D.

The second session will focus on bruises, burns, pattern injuries, Abusive Head Trauma (AHT), and few of the current controversies e.g. can shaking alone cause AHT, do short falls cause AHT, and is there such a thing as lucid intervals.

Attendance for the full day will be certified for 8 hours Continuing Legal Education; Children's Division 210 and POST. POST credits will be divided as: 1 hour Legal, 1 hour Interpersonal & 6 hours Technical.
